BIO

Wolfgang Gohlke is a stand-up comedian whose sharp, confessional style blends cynical absurdism with dark specificity and self-aware vulnerability.

With a background in sports broadcasting—covering Boston College athletics for WEEI and working at NBC29 WVIR-TV—Wolfgang brings a broadcaster's timing and a salesman's read-the-room instincts to every set.

When he's not on stage, Wolfgang runs Spinfire DJ & Trivia Services, hosting weddings and trivia nights across North Carolina. This dual life gives his comedy a uniquely grounded perspective on ambition, identity, and the absurdity of American hustle culture.

Based in Wilmington, NC and relocating to Austin, TX in 2026.
